Subject: First Appeal filed by Anna Gowri Medical College and Hospital, Tirupati, Andhra Pradesh, challenging the Letter of Permission (LoP) dated 08.09.2025.

The Appellant Medical College has filed the present First Appeal dated 19.09.2025 under Section 28(5) of the National Medical Commission Act, 2019, challenging the Letter of Permission (LoP) dated 08.09.2025 issued by the Medical Assessment and Rating Board (MARB). The College had applied for the establishment of a new medical college with an annual intake capacity of 150 MBBS seats. However, MARB, considering the available infrastructure, Faculty and clinical material, issued the impugned LoP for only 100 MBBS seats for AY 2025-26.

2. The Appellant Medical College submitted an application No. NMC/UG/2025-26/000001 for the establishment of a new medical college with an annual intake capacity of 150 MBBS seats for the academic year 2025-26. The Medical Assessment and Rating Board (MARB) reviewed the application based on the Establishment of Medical Institutions, Assessment and Rating Regulations, 2023; UG-MSR, 2023; and other relevant guidelines. During the scrutiny, MARB found various deficiencies.

3. Accordingly, the MARB issued Show Cause Notices dated 24.05.2025 and 18.07.2025 to the Medical College, highlighting the identified deficiencies and requesting additional information and a compliance report within specified deadlines. Upon review, the MARB, considering the available infrastructure, Faculty and clinical material, issued the impugned LoP to the Medical College for the Establishment of the Medical College with an annual intake of 100 MBBS seats for AY 2025-26. Being aggrieved, the Medical College has filed the instant 1st Appeal dated 19.09.2025 under Section 28 (5) of the NMC Act, 2019.

4. The Committee also examined the AEBAS data for the period from 01.04.2025 to 31.08.2025, which indicated some cumulative faculty attendance deficiency, as per the UG-MSR-2023. However, it has been noted that the Medical College has an adequate number of registered faculty to support the proposed annual intake of 150 MBBS seats.

7. The college infrastructure details which includes the lectural theatres, hostel facilities, library facilities, cadavers, maniquins etc. & The hospital infrastructure which include the number of beds, ICU beds, operation theatres, number of OPD ,IPD, surgeries, deliveries, laboratory investigations etc were reviewed. Secretariat verified and submitted documents to the appeal committee on 9.10.2025, the committee after review found the documents to be satisfactory.

8. Upon thorough review of all relevant records, including the assessment report, AEBAS data, the College's submissions and the HIMS data provided by the College, the committee concludes that the available faculty, infrastructure and clinical material are adequate to support the proposed annual intake of 150 MBBS seats. Accordingly, the Committee has decided to grant an additional 50 MBBS seats (From 100 to 150 seats) to the Appellant Medical College, thereby permitting a total intake of 150 MBBS seats for the academic year 2025-26.
